## FINAL REHEARSAL AND CONCERT SCHEDULE - 2006

The Blacksburg Community Band, formed under the auspices of the Town of Blacksburg, is considered to be a tax-exempt organization. All donations to the band can be taken as a charitable contribution on your yearly tax return. The tax law also permits you to deduct your mileage to and from rehearsals and concerts. I have listed the dates of this year's 36 rehearsals and 21 performances on the back of this worksheet. You may use this information for your taxes by:

1. Indicating those rehearsals and meetings (activity days) that you have attended this year and multiplying that number by the distance to and from your house to the high school rehearsal location.
2. Indicating those concerts that you have attended this year and adding up the mileage to and from the concert location. I have included the estimated mileage from the Blacksburg High School to the concert locations for your convenience.
3. Add the rehearsal mileage and the concert mileage for the total mileage.
4. Multiply this number by the allowable cost of mileage as indicated in the tax instructions.
5. Other costs may be claimed. Both mileage and direct costs of any activity or materials that is necessary to the functioning of the band would be allowed. For instance, you would be able to deduct any clothing that you must purchase for use in concerts or long distance phone calls made for band purposes.
6. These are deductions that you are entitled to by the IRS, so if you itemize, they are due to you. If you have any specific questions about the legitimacy of a specific deduction, please consult with your CPA or tax consultant.

**IMPORTANT NOTE** - You may NOT claim your time or expertise.
